Coach-led group sessions suspended

Dear Member

Members are advised that all Bedford Harriers coach-led group sessions are suspended with effect from 00:01 Thursday 5th November 2020 until further notice.

This suspension includes Saturday morning swimming sessions at Trinity.

This is in compliance with legislation approved in Parliament on Wednesday 4th November 2020.

Any published sessions or schedules on Team Up are to be considered as advisory only, for individuals' consumption, and do not constitute official Harriers training/coaching sessions.

Swimmers booked on the Saturday morning sessions at Trinity will be contacted individually in respect of the suspension.

The Club will continue to scrutinise the Government Guidance documents published by the Cabinet Office and England Athletics for any amendment or change that will affect Club activities. Any such amendments or changes will be notified to the membership accordingly.
